

1st International Conference on Stem Cell, Regenerative Medicine & Tissue Engineering

Rome, Italy | April 16-17, 2026 (Sample Two-Day Scientific Program)

Time	Day 1 - April 16, 2026	Day 2 - April 17, 2026
09:00	Opening Ceremony & Welcome	Keynote: Future of Regenerative Medicine
09:30	Keynote: Stem Cell Therapies in Clinical Practice	Session: Tissue Engineering Advances
10:30	Coffee Break	Coffee Break
11:00	Mesenchymal Stem Cells for Tissue Repair	3D Bioprinting in Regenerative Medicine
11:30	Gene Editing & Stem Cell Engineering	Biomaterials for Tissue Regeneration
12:00	Organoids in Disease Modeling	Clinical Translation of Cell Therapies
13:00	Lunch	Lunch
14:00	Induced Pluripotent Stem Cells	Regulatory Landscape
14:30	Cancer Stem Cells	AI in Regenerative Medicine
15:00	Poster Presentations	Young Research Forum
15:30	Networking Break	Networking Break
16:00	Panel: Ethical Challenges	Closing Keynote
17:00	End of Day 1	Awards & Closing Ceremony
